

REMARKS

Applicants elect the device as shown in Figures 1a-1c (Claims 1-3 and 8-16). Claims 1-3 and 8-16, drawn to an adjustable pinhole having a pinhole that is defined by foil edges which are adjustable relative to one another are herein selected for further consideration.

Based upon the above election, Applicants respectfully request reconsideration of this application and its allowance. Should the Examiner feel that a telephone conference with Applicant's attorney would expedite the prosecution of this application, the Examiner is urged to contact him at the number indicated below.

Respectfully submitted,
